For all other off-campus, for-credit courses please complete the following.

Name of Site (e.g. Orlando Center or Indy Site)	Site Location (City, State/Prov.)	# of Students this Fall*	Highest Portion of Any Degree Students Can Complete at Site**		
			< 50%	> 50%	100%
The Journey Church	St. Louis, Missouri	15	X		
Cornerstone Church	Ames, Iowa	20	X		

Instructions:

* Under the "# of Students This Fall" column, do not count any student more than once. So the same student enrolled in two extension courses would count only once. The number of students entered above should also be included in earlier forms that ask for fall enrollment figures, since those earlier forms should include ALL your fall students, including extension students. The only caveat is that a student taking classes at an extension site and through distance education should be counted on each of these two forms, but should only be counted once in the earlier forms, not twice, since those earlier forms reflect total unduplicated headcount. If an extension site enrollment period is not completed when you submit this form, estimate as best you can how many students will enroll this fall.

** Under the "Highest Portion of Any Degree..." column, please mark only one percentage based on the highest portion of any degree that can be completed at that site. For example, if a site offers three degrees, but only one can be completed totally at that site, you would still mark "100%" and only "100%." These categories were formerly called Type 2, Type 4, and Type 5, respectively.
